Artist's Drawing Techniques Gareth Stevens Publishing LLP

Profusely illustrated volume provides thorough exposition of fundamental stages in executing a figure drawing from simple standing and seated figures to more complex ones (bending, kneeling, twisting and crouching figures). Over 175 illustrations accompany demonstrations, showing how to establish major forms, refine lines for increased accuracy, block in broad shadow areas and finish the work by polishing contours, strengthening shadows, and adding details. Clear practical advice for beginners; an excellent sourcebook of valuable insights for experienced artists.
